

Impounded Vehicles

Katherine Town Council Follows Strict Guidelines For Releasing Impounded Vehicles

Payment

Prior to a vehicle being released all impounding fees must be paid in full. Vehicle impound fees are to be paid at the Katherine Town Council Civic Centre prior to release of the vehicle and are determined by the time the vehicle has been kept and towing fees.

Release of Vehicles

If the vehicle is unregistered or un-roadworthy, the owner must organise to have the vehicle towed. Alternatively proof of a temporary licence to drive/tow an unregistered vehicle can be shown. Vehicles will only be released to the owner, or to an authorised person elected to act on the owner's behalf. Proof of ownership as well as current identification must be provided. In the instance of an elected person, proof of authorisation must be provided.

Katherine Town Council depot operates by appointment only

Hours of Operation

Civic Centre: Monday – Friday 8am – 4pm.
