## 6. Information and messaging for community members

AD Suggested to start up a Facebook page and ask members from Facebook their thoughts on KPCCG Agenda items.

FM Suggested a Katherine Times page lift out, and information in the KTC News Letter and website.

Outcome:

AD advised that he could start a Facebook page if that was the medium he would like to use to delivery information to the community. It was also noted that advice was given to AD directed to KTC information website.

FM to follow up with action in action list.

Action: Check and verify PFAS contact details are correct on the KTC web site and newsletter.

## 7. General Business

JQ Asked what the committee members wanted out of this committee and is there still a need for the committee.

JQ At what frequency would the committee like to hold the meetings.

AD Raised concerns about the quality of water that the water carters are delivering to the water tanks that were fitted by the DoD.

Outcome:

Committee unanimously decided that there is still a need for the KPCCG committee and the PFAS meetings. Committee would like more information from DoH, P&W & DoD.

Unanimous quarterly meetings.

Not too much information given, AD directed to contact DoD (TF) with more details and concerns.

Action: Committee to send in questions for the DoH, P&W & DoD and allow the department's time to address the questions at the next KPCCG Meeting.
