

## DECLARATION OF RATES AND CHARGES FOR 2023/2024

### 1. Basis of Assessed Value

Pursuant to section 227(1) of the *Local Government Act 2019* (the **Act**), Council adopts the unimproved capital value (as it appears on the valuation roll prepared by the Valuer-General under the *Valuation of Land Act 1963*) as the basis of the assessed value of allotments in the Katherine municipality.

### 2. General Rate – Declaration

Council declares that in respect to the financial year ending 30 June 2024 Council intends to raise \$8,756,737.00 in rates for general purposes which will be raised by the application of differential valuation-based amounts (**differential rates**) with differential minimum amounts (**minimum amounts**) being payable in application of each of those differential rates.

### 3. Basis of Rates Calculation

Council hereby declares the following differential rates and minimum amounts payable in the application of those differential rates for the financial year ending 30 June 2024:

- a) In respect of the allotments of rateable land within those parts of the municipality being the different planning zones set out in the differential rates schedule below (the **schedule**), rates are calculated by multiplying the applicable differential rate, as set out in the schedule, by the assessed value of each allotment with the minimum amount payable in the application of the differential rate being the applicable minimum amount set out in the schedule multiplied by the greater of:
  - i) the number of separate residential parts or units that are adapted for separate occupation or use pursuant to section 226(5) of the Act on each such allotment of rateable land; and
  - ii) the number one (1).
