Carried: 5 / 0

4. BUSINESS ARISING FROM PREVIOUS MINUTES

Updates:

- The broken solenoid on the pole next to the ticket counter has been repaired.
- Fletcher's Plumbing is installing a new water meter on the fence line, and this is the final stage of the upgrade. Once everything is complete, the flows and pressure will be reconfirmed again.

Mayor welcomed Virginya to the committee members.

5. GENERAL BUSINESS

Traffic at Murray St gate

Committee members suggested installation of boom gate to control the traffic during Katherine Show. KTC to look for other options.

Fence from Golfie to the showgrounds

The Fence is at a poor state. Turf Club goes to check their Pavilion on a regular basis and on numerous occasions he has seen kids loitering on the showgrounds and as

soon as they see his vehicle coming, they run away over to the Golf Club through one of those holes in the fence.

KTC is reviewing capital works. Awaiting more information from the Finance team. KTC to check if there is enough allocation of money for this improvement.

In Previous year, works at Waste Management Facility on Novis Quarry Rd was completed as it was on the priority list.

There has been a discussion on having a pedestrian gate in the fence to the Golfie.

Show society confirmed that the gate is already there.

Damaged Buntine Pavilion Sign

KTC received a request to replace the sun damaged Buntine Pavilion Sign. KTC is currently liaising with Turf Club to confirm to whom the sign belongs to.

Signage at the Showgrounds

There was a discussion with some of the elected members regarding signage at Showgrounds. KTC is in the process to install wayfinding map/ signage with the fingerboard signs to help people find their way around the facilities.

5.1 **General Discussions:**

Katherine District Show Society

Show Society is working on the lighting Project and currently waiting on the permit for the lights. The estimated time of arrival is before Christmas.

There are four towers of LED lights at the campdraft arena and two at the rodeo arena. And they're all up to competition standard now. The solar lights will be used on the old light poles for preparing the grounds and people walking at the night.

Another issue that was discovered during the process was that the announcer's box at the campdraft arena is not up to standard.

AFLNT

AFLNT is awaiting reports from the investigation. Once received, the scoreboard will be discussed with the facility manager.

The Juniors football is still on. There are 12 school Competition, which had six schools in this year.

Katherine Dirt Kart Club

Katherine Dirt Kart Club will be down at the tracks in the next couple of weeks.

6. ACTION LIST

Refer to table for updates, completions, and new items.

7. OTHER BUSINESS
